

PLATFORM PRESENTS

A FAMILY GATHERING

You're invited to be part of our 'Family Gathering'

For the first time, Platform Presents is bringing its multi-arts experience to Sydney/Eora as part of Asian Heritage Week, led by Asian Hustle Network. While the week is not yet formally recognised nationwide, it remains an important moment for us to come together. It's a chance to honour our histories, amplify voices and recognise the depth of creative practices across our communities.

As part of this three-day pop-up, we're inviting market stall holders to join us on opening night. The evening will be a ticketed event featuring DJs, performances, interactive art and a curated market, before the exhibition continues as a public gallery experience across the weekend.

"A Family Gathering" speaks to the experience, not a theme. It's about bringing creatives of Asian heritage into the same room to sit alongside one another and be seen together. The market plays a key role in this, creating a space for exchange, connection and discovery.

This pack outlines everything you need to know before submitting your Expression of Interest, from event details and site conditions to what we provide and what to bring. If you're a maker, designer, collector or small business wanting to be part of a thoughtful, community-led event, we'd love to hear from you.

THE SPACE + INCLUSION

Market stalls will be located in the outdoor courtyard alongside the DJs, creating a shared space for music, browsing and connection throughout the night.

Each stall will be allocated space for one trestle table and includes one chair. **Stallholders are required to bring their own table**, as tables will not be provided on the night. You're welcome to bring any additional seating or display materials needed to set up your stall.

As the event takes place in the evening and light levels will drop from around 5pm, the courtyard will be lit with ambient lighting; however, this will not be sufficient for individual stalls. **Stallholders are required to bring their own lighting** to ensure their products are clearly visible throughout the night. Battery-powered lighting is recommended.

STALL CONTRIBUTIONS

\$40 (incl. GST)

The stall contribution supports the production of the event and shared courtyard space, while providing makers with an opportunity to directly sell their work during opening night.

BUMP IN AND OUT

Bump in can occur from 12:00 pm onwards on the day (13th of June). We ask that all stalls are set up and ready to go by 1:45 pm latest for our 2pm start.
